

HotSet 2000 Temperature Controllers

**...Solving Heating
Problems All Over The World**

Temperature Controllers

Temperature Controllers:

- Innovative products of the highest technical development.
- User friendly and modern plug-in modular interchangeable systems.
- Capacity to suit customers specific requirements.
- Industrial design for a long service life.
- Built in diagnostics
- Quality products you can rely on.

RR 2010 1/16 DIN 48 x 48

- Fully PID auto-tune capable
- Manual or auto programming
- Fully front panel programmable
- Fuzzy logic software
- 16 segment ramp soak (soft start)
- Selectable mode alarms
- Input sensor field selectable (J, K, RTD & other)
- Four digit dual display
- Decimal point selectable
- Security level protection password operated
- Loop break function and indication
- 100-240VAC
- VDC output to SSR (AC output optional)
- Percent output indicator
- NEMA 4x front panel
- Panel mount
- Compact size 48mm x 48mm x 133mm
- UL/CSA/CE approved

RR 2020 1/8 DIN 48 x 96

- Fully PID auto-tune capable
- Manual or auto programming
- Fully front panel programmable
- Fuzzy logic software
- 16 segment ramp soak (soft start)
- Selectable mode alarms
- Input sensor field selectable (J, K, RTD & other)
- Four digit dual display
- Decimal point selectable
- Security level protection password operated
- Loop break function and indication
- 100-240VAC
- VDC output to SSR (AC output optional)
- Percent output indicator
- NEMA 4x front panel
- Panel mount
- Compact size 49mm x 96mm x 101mm
- UL/CSA/CE approved

RR 2030 1/4 DIN 96 x 96

- Fully PID auto-tune capable
- Manual or auto programming
- Fully front panel programmable
- Fuzzy logic software
- 16 segment ramp soak (soft start)
- Selectable mode alarms
- Input sensor field selectable (J, K, RTD & other)
- Four digit dual display
- Decimal point selectable
- Security level protection password operated
- Loop break function and indication
- 100-240VAC
- VDC output to SSR (AC output optional)
- Percent output indicator
- NEMA 4x front panel
- Panel mount
- Compact size 96mm x 96mm x 101mm
- UL/CSA/CE approved
